The Greenville Fast Pitch
Softball League

is a 501(c)(3)

organization under

EIN #93-4774909. All

donations are tax
deductible.

Our Mission

Greenville Girls Fast Pitch Softball is dedicated to providing opportunities for girls ages 5-14 to play fast pitch softball. Our organization teaches basic and advanced softball skills in an environment that promotes teamwork, discipline, perseverance, and sportsmanship. We are committed to developing not only exceptional athletes, but also exceptional young women with strong foundations in moral character and integrity

Your Impact

Because we are a small organization, we rely on you – our local community – and a dedicated base of parents to remain viable year-to-year. We have fields that need to be maintained as well as equipment to keep the girls safe. Your donations will help us secure umpires, help with field maintenance, and purchase better equipment, at minimal cost to our families. Your generosity will be “reinvested” into the continued growth and development of our program while shaping the future of softball and our youth in the Greenville community.
